ISSUANCE OF COMMISSIONS  
CAP COASTAL PATROLS AND LIAISON PATROLS

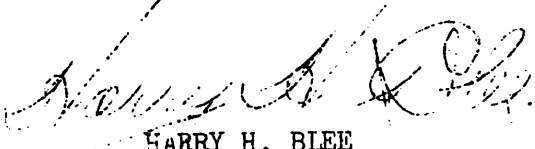

1. Reference is made to General Memorandum No. 76, this Headquarters, 27 February 1943, Subject: Promotion of Coastal Patrol and Liaison Patrol Personnel, and letter, this Headquarters, 10 March 1943, Subject: Policy on Promotions - CAP Coastal Patrols and Liaison Patrols. This Headquarters has noticed that there exists some confusion in the minds of various Coastal Patrol and Liaison Patrol Commanders regarding change-in-duty assignments and promotions.

2. As prescribed by paragraphs 10 b of Operations Directives No. 23-A and No. 32, respectively, assignments and reassignments within a base are effected by base Special Orders, copies of which are forwarded to National Headquarters for recording.

3. In order that commission certificates may not be issued to personnel who, after a trial period, prove incapable of efficiently performing the duties of their assignment, effective this date, this Headquarters is adopting the policy of issuing said certificates only upon receipt of written recommendation by the Base Commander following a one-month trial period. The procedure of automatic issuance of commission certificates by this Headquarters upon receipt of base Special Orders announcing duty assignments is being discontinued forthwith.

4. In accordance with this procedure, Base Commanders are hereby directed to submit to this Headquarters for consideration, recommendations for commissions covering only those individuals who, upon completion of one month of service in said assignment, have satisfactorily demonstrated their ability and qualifications to perform successfully the duties assigned.

By direction of National Commander JOHNSON:

Colonel, Air Corps  
Operations Officer
